

MEETING ANNOUNCEMENT

January 20, 1987

Dear Colleague:

The 6th Biennial Regeneration Forum will be held at The Ohio State University on Friday, June 26, and Saturday, June 27. Registration will be Thursday evening, June 25, or Friday AM and a social will be held Friday evening. We plan to have 15 minute presentations, by platform, but if participation is high, additional presentations may be accommodated by poster.

We anticipate that most participants will be housed in Residence halls on North Campus. Registration (\$15) will be in Drackett Tower, 161 Curl Drive. Housing (1986 rates) will cost each participant \$7.50 per night if sharing a room with 3 others, \$10.50 per night if sharing a room with one other, and \$17.50 per night as a single occupant. Alternatively, several motels are in the vicinity of the University. Meals can be obtained at the Dormitory Commons, campus cafeterias and local restaurants.

Any topic relevant to regeneration is welcome. We encourage participation from undergraduate, graduate and postdoctoral students as well as more senior faculty and research scientists.

Since we may not have every student of regeneration on our mailing list, please provide a copy of this announcement to all individuals at your University/Institute and to those with whom you come in contact during the year who may be interested in this meeting.

Please return the "Probable Participation Form" as soon as possible in 1987. Those responding affirmatively to this first mailing will receive a second mailing early this spring with forms for registration, abstracts, and dormitory housing reservations.

We look forward to an exciting 1987 Forum.

Your hosts,

Roy A. Tassava

Bruce L. Tomlinson

David J. Goldhamer
